

Standard Pricing

We've provided below our standard pricing and guide pricing for additional services. Please do [get in touch](#) for more information and a detailed quotation.

Item	Price
Consultancy, per person per day	£500
Consultancy, per person per half day	£300
Consultancy, per person per hour	£90
Mounting Assessment and Fitting at your location	£395 for the first system, £150 for each additional system.
Mounting Assessment and Fitting at our assessment centre	£295 for the first system, £95 for each additional system
Mount Fitting only (no assessment)	£295 for the first system, £95 for each additional system
Bespoke Keyguard	From £95
Manufacture 3D printed component	From £20

Mounting activities exclude the cost of equipment for which a quotation will be produced. A wheelchair mounting system will typically cost between £300 and £700. Our mounting assessment can cover wheelchair, floor, table and bed mounts. For locations outside of the North West and Thames Valley/Wessex regions in which we typically operate, we charge an 45p per mile travelled in addition to the costs shown above. Prices exclude VAT.
